

Attention FDA

5707 '00 MAR 22 AM 138

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

FDA should pay if they force the issue;

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

There are a lot of greedy people out there who can you trust

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

No!!! Too damn much government interference now. Just extra business for some lawyers (legal thieves)!!!

4. Should I be allowed to purchase hearing aids by mail as I choose?

That should be my choice
